**Subject:** Consultation on the EPA's Action on the State of Florida's Request to Assume Administration of a CWA Section 404 Program

Good afternoon! Attached to this email is a letter regarding the EPA's determination that our decision to approve or disapprove the State of Florida's request to assume administration of a Clean Water Act Section 404 program will have no effect on federally listed species under the jurisdiction of the National Marine Fisheries Service. If you have any questions please let us know.
